

“Family Skiing Holiday”

We arrived safely home after a very long journey refreshed and happy after our stay at Hotel Hermitage. It was a pleasure to stay at your lovely hotel and to experience your warm hospitality. We were impressed with the quality and variety of food we had. Your waiters Fabio, Raul and Alan were so helpful and always ready to help. Enzo couldn't do enough to help us. Sometimes we felt maybe a little uncomfortable to ask his assistance again and again but nothing was too much trouble for him. As the hotel is a bit away from the center, having someone kind like Enzo is a valuable asset for your hotel.

Just a little snag was the lack of Wifi during the time it was snowing. Maybe something can be done to fix the problem?

Well we would love to stay at your wonderful hotel again and hopefully we will be in touch with you again!
